SUMMARY

Experienced Full Stack Software Developer with a background in Computer Science and over 4 years of freelance experience. Specializing in ReactJS, NEXTJS, TypeScript, JavaScript, Ruby on Rails with Postgres, and Node.js. Eager to join an innovative tech team to contribute both technical expertise and strong interpersonal skills. Actively seeking opportunities to work on challenging projects and further enhance my professional capabilities.

EXPERIENCE

Peach Blossoms, Remote
Frontend Engineer, June 2023- till date
- Developed New Enterprise Software and implemented new features.
- Create Ui from figma designs
